The OSMA Political Action Committee (OSMAPAC) Board of Directors made endorsements based on the following criteria:

- A candidate's philosophy on key issues
- A candidate's voting record, if applicable
- A candidate's completed OSMAPAC questionnaire, if applicable
- A candidate's interview, if applicable
- District demographics and a candidate's ability to win
- Recommendation from local OSMA physician leaders

* OSMAPAC believed that both candidates demonstrated an understanding and open-minded approach to the health care issues facing Ohio and the physician community. OSMAPAC encourages you to become further educated on the platforms of these candidates and decide for yourself which person would best address the future of health care in Ohio.

** OSMAPAC has not made an endorsement for various reasons (no completed questionnaire, not enough information about either candidate, voting record, etc.). This is not the same as being neutral.

For information about the OSMAPAC or questions about this *2012 Election Guide*, contact Katelyn Barlage, Political Affairs Coordinator, Ohio State Medical Association, at (614) 527-6747 or kbarlage@osma.org.
